

Trinity College: Where Liberal Arts Meets the Real World

Graduate Studies at Trinity College prepares students to be daring, independent thinkers who pursue their passions while leaving a meaningful impact on the world around them. Discover how a graduate degree from Trinity College can help you take your education and career to the next level.

PLAN YOUR PATHWAY TO SUCCESS

Students can tailor their educational experience to fit their interests and lifestyle. We offer convenient scheduling that is built for busy adults, with Monday-Thursday night classes; flexible start dates in spring, summer, or fall; and deferred enrollment. Your faculty adviser will work with you to ensure that you can complete your graduate education your way.

ENJOY SMALL CLASSES WITH BIG ADVANTAGES

With a student-to-faculty ratio of 9:1, Trinity College enables students to benefit from individualized attention and a personal approach to teaching. Students receive ample faculty support and guidance while pursuing their individual interests. In our graduate Urban Planning program, professors encourage students to follow their passions—whether that’s developing a capstone on affordable housing, engaging with planning projects in Hartford, or exploring global urbanization strategies.

EXPERIENCE EXCELLENCE THAT SPANS CENTURIES

A Trinity College graduate degree comes with a long history of distinctive graduate study programs. You’ll gain a traditional liberal arts education while enjoying all the perks of living and studying in a modern major city. Our approach to preparing our graduates for success really works, and we have 100 years of experience to prove it.

SEE THE CITY AS YOUR CLASSROOM

Join a welcoming community of thinkers and doers who value passion, perseverance, ingenuity, and authentic connection. Our home in Hartford, Connecticut, allows our graduate students to enjoy all the resources of our beautiful city and beyond. This dynamic and diverse area provides a wide variety of attractions, arts and entertainment venues, and local and global businesses—all just steps away from campus.
